Congratulations to Rose in Salamander class who has been awarded the Toby Nichols Cup this week for outstanding effort and achievement.

Transition Dates Transition Dates

This year, as last year, the children will have two opportunities to meet with their new classes and class teachers. Moving on days will take place on Friday 5th July and Friday 12th July. Classes from EYFS are mixed to create new classes for Year 1, classes in Year 2 are mixed to create new Year 3 classes as are the current Year 5. The four Year 5 classes will be mixed to create 5 new Year 6 classes. Additionally this year we will also be mixing the current Year 3 classes to create four new Year 4 classes.

A number of staff, including Teachers, Deputies, SENCo and Learning Mentors are involved in the creation of the new classes and the needs of all children are considered to ensure the best equality of opportunity for all in our inclusive, diverse school.

All parents are carers will find out who the class teachers are on Friday 5th July.

Design Technology Week at Brunswick

Our Design Technology week enabled the children to design, make and evaluate products. Across the whole school we have seen exciting drawings and models created. We had a range of guest speakers talking about jobs ranging from cake decorating to games designers. The children have produced exhibitions of their work so other classes from across the school have been able to share their creations. Thank you to all for the enthusiasm and problem solving skills being used.

The winners of the Junior Family Tower building challenge were Grisha's family with a free standing tower of 2.93m!

PE News

CELEBRATING SPORTING ACHIEVEMENTS

During our Friday assembly we celebrate children's learning but we would like to extend this to share sporting achievements awarded outside of school. If your child receives a certificate/badge/trophy for a sport they are welcome to bring it into school on Fridays so it can be shown in assembly.

SPORTING TALENTS!

This week our very own Claire Daniel (Reception teacher) spoke to the Year Two children about her sporting achievements. She discussed how she started running, her training and dedication, progression from 5k to marathons and triathlons as well as the social aspect. Claire has completed races in different countries and raised lots of money for charity. Her photographs, T-shirts, medals and trophies inspired the children. We may have some future runners amongst the year group. Many thanks Claire, from Mrs Barnes, Mr Pannett and Miss Michnowicz – P.E. Leaders.

We remind parents that the school car park is for staff and service vehicles **ONLY**: this applies at **ALL TIMES**, so parents should not use it to collect their children from after school clubs.

Attendance

Key: Green-97% attendance, Yellow-95-96.9% attendance, Orange-90-94.9% attendance, Red 89.9% attendance and below.

Class	07/06/2019	14/07/2019
