

# Misty Mountains

Here is a list of addition (non-compulsory) activities you may wish to complete with your child at home to enhance their learning about our topic 'Misty Mountains'.

- Choose one of the world's highest mountains and create a PowerPoint presentation all about it to show us in class.
- Find out about animals that inhabit a mountainous area of the world. How do they adapt and survive? Are any of these animals endangered? Why?
- Write an information book explaining how different types of mountains are formed.
- Create a fact file all about famous mountaineers.
- Research Mountain sports such as skiing, rock climbing or mountain biking. Choose one that excites you and create a scrapbook of information and images.
- Create a 'true or false' quiz all about mountains of the world.
- Create a 3D food model of a mountain or mountain range.
- Write a 'water cycle' song or rap like the one we heard in class!
- Write a diary entry for a child living in a mountainous region of the world.
