Request for Musical Instrument Lessons 2019 – 2020

Dear Parents/Carers,

We are very lucky to have a specialist Hampshire Music Service woodwind teacher in school on Monday mornings, for the last two years, offering lessons for 32 children.

Several places will become available when our Year 6's leave this summer, so we are now recruiting to fill those spaces in September - **on flute, clarinet and saxophone**.

The lessons are taught by Mrs Cheri Wallace, in small groups for half an hour each week. The teacher may choose to shuffle children between the groups each term, depending on progress made.

Lessons cost **£5 per child per week** and instruments can be hired directly from Hampshire Music Service for a termly fee.

These lessons currently run from 8am to 12 noon, on Mondays, and may involve your child missing some curriculum learning time. The new timetable may be later in the school day.

Lessons will start again in September. Please return the reply slip as soon as possible so that I can fill the available places. Places will be filled according to age and choice of instrument (it is better to be flexible with instrument choice if you are really keen to start)

I would suggest that you rent an instrument initially, rather than buying, until your child has settled into the instrument, but please wait for confirmation of a place before arranging this and I will then provide hire information.

As we are tied into paying for the teacher on a fixed annual contract, you will be billed termly in advance for lessons and tied into the full year, as it is difficult to slot beginners in with established players.

Please could you return the reply slip as soon as possible if interested. Any child not gaining a place in September will be placed on a waiting list.

Please contact me if you have any questions.

Yours sincerely

Alison Mayall
