Believe in ourselves, be the best we can be

17.6.18– Newsletter

Bounce Off!

This has once again been another successful event that the children really enjoyed! Back when the weather was sunny and hot (remember that?!?) the children spent the day coming up in classes and bouncing to earn their sponsorship money. Thanks again to Morrisons for providing us with fruit and drinks, the FOBS team for organising and supervising and all of the parents and carers for securing sponsorship money. We managed to raise a fantastic **£1850** that will be put towards the cost of our new hall floor that will be laid in the summer.

Scouts and Explorers Painting

We have been very lucky to recently have our local Scout and Explorer groups starting to paint some of the sheds around the school to weatherproof them. They are going to hopefully further paint other structures and also the fence that surrounds the playground. This has really supported us as a school and has helped give the Scouts more evidence and experiences towards gaining their World Challenge Badge. We are pleased to support local groups in the community by sharing our school with them and want to thank the scouts for all of their hard work.

Bishopsteignton Village Festival

We are all very excited about this week's Village Festival. If you have not been at the school during a festival before, it is a spectacular event! The children are so lucky to have people from our community offering their time and skills to provide a rich variety

of experiences and activities for the children to learn from and enjoy. Please remember that you are also invited from 2PM on Friday 21st June into the marquee to see a very brief example of some of the activities and the children singing some songs.

If any crafters want to have a stall during the festival, please contact Chris Hunt at bishopsteigntonvillagefestival@gmail.com

Pupil Voice

We have been continuing to discuss our school value of **Self-Belief**. We talked about the important role that independence plays in building self-belief and here is another fantastic quote-

'I feel it is important to become independent because it makes you braver to try new things. Also, you will be more curious to see what is outside of your comfort zone.' Lauren- Y4

Thank you for your continued support.

Kind regards,

Dave Killoran
(Headteacher)
