#### Guidance notes

Governors and trustees have a legal duty to act only in the best interests of their schools. Where a situation arises in which they cannot do this due to a personal interest they have, steps should be taken to identify, prevent and record the conflict. This ensures governors or trustees are acting in the best interests of the school.

In the declaration above, you must provide details relating to:

- > Your ownership or partnership of a company or organisation which may be used by the trust/school to provide goods or services;
- > Goods or services you offer which may be used by the trust/school;
- > Any close relation you have to someone who satisfies either of the above;
- > Any close relationship you have to someone who is employed by the trust/school.

Declaring your conflicts of interest is a legal requirement within the School Governance (Roles, Procedures and Allowances) (England) Regulations 2013 and for academies, in the Articles of Association and Academies Financial Handbook. However, making an annual declaration does not remove your requirement to make an oral disclosure of the interest and temporarily leave the meeting, where the interest is relevant to something being discussed.
