

NEWSLETTER June 2019 (2)

Make every day count, children on time and in school all day every day.

As we approach the end of the academic year, we are making our final push to keep our attendance in line with national expectations and school targets. With just over four weeks left of the school year St Alban's continues to be a very busy place, it is therefore still very important for everyone to arrive to school on time and stay and in school until the end of the day. Together we can ensure our school attendance is even better.

The Governors would like to inform parents and carers that in September Mrs Ayres will reduce her leadership commitment at St. Alban's School.

The school's current strong leadership team structure will continue and from 1st September Mrs Ebsworth will take on the role of Acting Headteacher in the absence of Mrs Ayres. We believe this model offers strong leadership for our school and will ensure our children continue to receive an enriched, dynamic and appropriate curriculum that will equip them with the necessary skills, knowledge and understanding to reach their full potential.

We continue to be ambitious for our school's future, moving towards this new leadership model for our school with confidence and anticipation.
