14th June 2019

Dear Parents/Carers

Due to the rainy weather we are experiencing we have rescheduled our Whitby visit for the 9th July.

Our sponsored walk to North Dean Woods will take place on Wednesday 26th June.

We do hope the weather improves for our Summer Fair which is nearly here! As always, we would love to see you there whatever the weather. We still require donations of teddies, school uniforms, books or any other items would be gratefully received.

Thank you to everyone who took part in our Friends of St. Patrick's 'Smartie Tube' event, which raised a fantastic £208.01 for our school book fund.

We have so far sold over 50 tickets for the 'YourSchoolLottery' which will raise over a £1000 for school each year. The first draw is being made on Saturday 15th June, so there is still time to join and be in with a chance of winning £25,000!

I would like to say a special thank you to the PTA volunteers for all their hard work organising the many events throughout the year.

God Bless, Mrs Lomas

## Class News

### **Class Bolton:**

In maths we have been learning about money and what the value of the different coins are. We have been sorting money, ordering and finding the total amounts of money in purses and wallets.

In English we have been writing sentences to describe various minibeasts using adjectives to say what they look like and how they move.

In topic we have been exploring a large spiders' web in class, counting the spiders and flies on it and trying to collect them using various tools.

We have been creating models and detailed paintings of a variety of different minibeasts to display on our classroom

### **Class Kirkstall:**

Tuesday 25th June Kirkstall will visit The Deep. Polite reminder if you have not returned consent forms and payment please send as possible.

Class Kirkstall are donating a 'BBQ Hamper' for the Summer Fair if you are able to send in any items they will be gratefully received.

### **Class Rievaulx:**

Class Rievaulx have been reading the first chapter of 'A Monster Calls' this week and developing our understanding of Gothic writing. On Thursday, Mr Shaw from Brooksbank came and taught our English lesson to help us to use dialogue effectively in our writing. In maths, we have been working with angles and applying knowledge of accurately measuring angles using a protractor to reasoning and problem solving tasks. In Topic we have started our Topic 'Is Plastic Fantastic?' and we would be grateful if you could save any plastic bottle lids and send them into school over the next 2 weeks, please.

### **Class Whitby:**

Before we broke up for the holiday we had a fantastic 'Pirate Day' in Whitby Class. The children looked amazing in their pirate costumes. We had fun writing messages in bottles, making pirate ships out of fruit, designing maps with hidden treasure and making delicious banana milkshakes.
