Ref Y2

18th June 2019

Dear Parents/Carers,

Next half term our PSHE topic will be Sex and Relationship education. Our teaching has been informed by the Cambridgeshire Primary Personal Development Programme which is recommended by the PSHE Association.

Below is an outline of what your child will be learning about:

In this unit your child will learn that humans produce babies who grow into children and then into adults. They will think about the ways they have changed physically since they were babies and how their responsibilities have changed during this time. They will talk about everything a baby needs to make sure it is healthy and happy. They will think about the people who provide this care for a baby.

Please feel free to attend an informal drop in chat, to ask any questions you may have, with Miss Towers on Thursday 20th June at 3.20 – 3.40pm. If you are unable to make this time, please let us know so we can arrange a suitable alternative.

Please see next page for a vocabulary list.

Kind regards

Miss Towers

Further to a request from our parents who were part of a working party for our SRE policy, please find below the vocabulary we will be using.

	Key areas of learning	Feelings/ relationships	Body parts and processes	Other
KS1 Year 1/2	External body parts	Range of feelings words e.g. happy, pleased, calm, sad baby child girl boy same similar different unique special responsibility	Range of simple external body parts e.g. hands, head, teeth penis testicles vulva vagina bottom birth death Range of more specific external body parts e.g. stomach, chest,	Range of action words e.g. run, jump growing up germs male female man woman teenager adult
