Ref Y4

18th June 2019

Dear Parents/Carers,

This half term our PSHE topic will be Sex and Relationship education. Our teaching has been informed by the Cambridgeshire Primary Personal Development Programme which is recommended by the PSHE Association.

Below is an outline of what your child will be learning about:

In this unit your child will learn about the main stages of the human lifecycle e.g. birth, baby, child, adolescent, adult, middle age, old age, death. They will think about their perceptions of being grown up and the responsibilities this entails. They will think about how their own responsibilities have changed since they were small and they might even think about a new responsibility they can take up at home or at school now they are older. Finally they will think about the big responsibilities that come with looking after a baby or child.

Please feel free to attend an informal drop in chat to ask any questions you may have with Miss Grubb and Mrs Birnie on Thursday 20th June at 3.25 – 3.40pm. If you are unable to make this time, please let us know so we can arrange a suitable alternative.

Please see next page for a vocabulary list.

Kind regards

Miss Grubb, Mrs Birnie and Mrs Spyrou

Further to a request from our parents who were part of a working party for our SRE policy, please find below the vocabulary we will be using.

	Key areas of learning	Feelings/ relationships	Body parts and processes	Other
KS2 Year 3/4	External body parts Differences between male and female	love dependent independent	breast nipple anus scrotum	toiletries bacteria infection hygiene
