### **What we discussed:**

1. Leaving Party – This was mentioned at the last meeting; however need to come up with an activity so it can be planned and if needed; booked. Group to decide on one activity.
2. Amy M's Birthday Party – It's Amy's birthday coming up, any ideas on what she could do for this? Ideas also from Amy about this- what night would she like it on, either a Wednesday, Thursday or on her weekend in?
3. Leavers Book- does everyone like the current format? How could it be changed to make it look better?

## Young People's Views:

### Leaving Party

The group came up with some ideas:

- Pub
- Papas (fish and chips)
- Big Fun
- Bollywood dancing
- Wings
- Film
- Party

We also went through some of the ideas that had been shared at the last meeting.

We had a vote and 4 young people said Pub, 5 young people said Big Fun, 5 young people said a Party, 7 young people said the cinema and 8 young people liked the idea of Fish and Chips.

### Amy's Birthday

The group came up with some suggestions they thought Amy would like:

- Dominic discussed that if it is on a Thursday; then a soft play area suitable for them and the young people who stay this night who use a wheelchair. He also suggested a princess party
- Amy - Big Fun
- Ryan – Pantomime
- Lily – Football
- Alice- Disco and Pizza
- Ryan – McDonalds (another young person also liked this idea)
- Archie – Disco and buffet
- Ohene – A surprise party somewhere else

- Chloe – Bouncy castle (disco dome one)
- Ryan – sports day

Amy liked all the suggestions her friend had come up with. She would like a bouncy castle (such as the Dome one with a disco inside) and a KFC Takeaway. Amy also likes pink birthday cakes.

Amy was given the choice of when she would prefer to celebrate her birthday with her friends in residence; and she said a Friday.

### **Leavers Book**

The young people loved looking through the leaver's book!

Young people gave the following comments:

- Dom said 'I think it's good- nothing really to change.'
- Ryan – 'I think it looks fabulous. So cool.'
- Chloe said it was good.
- Ohene said 'I don't know- it makes me feel nervous.'
- Archie commented that it said 2016 on it, and to maybe have one for every year.
- Lily likes the pictures.
- Ryan said it would be better if they came back (referring to the young people who have left residence).
