"Where Childhood Matters"

Dormice and Fieldmice Newsletter, Week Ending: 14/6/19

Dear Parents/ Guardians,

Well, we have had another busy week. We have welcomed the Under Fives again this week and the class were very helpful and thoughtful with the little ones. Some of the children enjoyed seeing their siblings who are starting in September.

On Monday we read 'What the Ladybird Heard' by Julia Donaldson and talked about facts relating to ladybirds. The children wrote their own ladybird facts and created the ladybirds' body using split pins. As we have learnt about symmetry in maths the children have attempted to make their ladybirds symmetrical.

## Things to note:

- **PLEASE return the signed trip letter by Monday the 17<sup>th</sup> June. We do still have some outstanding and need to order the pack ups with the kitchen.** Thank you.
- In the next three weeks we will be practising sports day. The children also have rugby on a Friday so it is important that their PE kits and trainers are at school.
- We do like children to have real experiences and so have had real money in the classroom (instead of plastic) to handle, feel, explore and use as part of their play. Unfortunately the pot of money is now about empty. Please can we ask that anything children bring home that you know they wouldn't normally have is sent back into school. We are also missing a number of small plastic butterflies which were on the display. Thank you.
- Next week is 'Cycling Week' and in order to support this on Tuesday the 18<sup>th</sup> the year 6s are going to set up a little cycling course on the playground for Foundation children. We do have some balance bikes with helmets but would like the children to bring in their own bike and helmet if they wish. These can be brought to Mrs Sizer's playground before school. Helmets are a MUST.
- On Thursday 21<sup>st</sup> June Mrs Sizer will be taking part in the 100K Cycle4life ride so will not be in class.
- We hope to see some of you on Monday 17<sup>th</sup> for the cycling challenge after school. There will be a school team too.
- Don't forget that it will be the Summer Solstice Lunch on Friday - we hope for much better weather!

If you have any concerns, please do find us at the end of the day. Enjoy the weekend,

Mrs Sizer, Miss Searby, Mrs Pierrepont and Mrs Stinson.
