

# PE Action Plan 2018-19

Focus – This year’s focus will be on improving the school’s performance in inter-school competition and maintaining the high levels of participation in school sport.

Sport Premium allocation - £16,920

Autumn	Focus	Action	Money spent/Impact
	Improve performance of sport within school.	<ul style="list-style-type: none"> <li>Use coaches to provide focussed, skills based lunch time and after school clubs.. These will change throughout the year.</li> </ul>	£3900 full year – paid monthly throughout the year for weekly clubs. Children have skills based curriculum lead by highly skills professionals. Clubs enable children to learn specific skills with the aim of taking part in more competitions. Trust lead competition day to take place at tend of summer term.
	Improve provision in school with specific sporting equipment purchased.	<ul style="list-style-type: none"> <li>To order equipment with the purpose of supporting the lunch and after school clubs that will be provided throughout the year so these clubs can continue after coaches have finished.</li> </ul>	£2000 - updated through school year. Children have new equipment that is specific for skills set that are being taught.
	Improve the facilities for children at school	<ul style="list-style-type: none"> <li>Money made available for Outdoor gym equipment improvements</li> <li>Money made available for resources on playground.</li> </ul>	£7,000 Outdoor gym equipment having impact on play time interaction. Children using equipment and staying active during break/lunch. After school club using equipment when weather is ok.
	Allow children to widen their range of sports experienced	<ul style="list-style-type: none"> <li>Use coaches to provide 2 enrichment days where a wide variety of sports are provided</li> </ul>	£600 Specific activities carried out. Glow in the dark dodgeball, archery, and fencing. Giving the children the opportunity to experience a range of different sports/activities that they would not normally access.
Spring	To improve the opportunities for children to access different activities.	<ul style="list-style-type: none"> <li>Dance teacher to deliver sessions to KS2 pupils during Spring Term</li> </ul>	£1000 Dance teacher effectively delivered dance sessions to KS2. Children enjoyed different aspects of dance including Maypole.
	Swimming	<ul style="list-style-type: none"> <li>To support swimming above</li> </ul>	£1,200

		the national curriculum requirement	Year 3/4 have been able to access swimming arrangements for 2018/19. Number of children confident swimmers increased over session. Sessions to be held for year 6 children who are still not meeting the national expectations for swimming. Training sessions for greater depth children accessing swimming gala held in June.
	Fitness tests	<ul style="list-style-type: none"> <li>• Children to complete baseline fitness test. This will measure the children's fitness levels against a national average.</li> <li>• Children will then be tested again before the end of Summer Term.</li> <li>• In between, children will run a marathon through Marathon Kids.</li> <li>• Progress in their fitness should be seen between pre and post tests and data should show how this intervention (marathon) has had an impact on the children</li> </ul>	£300 To take place week beginning 8/7/19
	To enhance delivery of PE during continuous provision activities.	<ul style="list-style-type: none"> <li>• To order key early years equipment to develop physical development in outdoor area.</li> </ul>	£920
