Summer 2019

Achievements for our Students

Archery

Our students were invited to participate in an Archery competition hosted by Cottingham High School. Students did incredibly well and made good scores securing runners up position in the event. Two of our students have never been to an archery competition so this is a huge achievement. Congratulations to Kai, Georgie and Quinn. Well done!

Football

7 schools were involved in a football tournament which took place at GOALS. The Hub School students participated and came **1st** in the competition! A special thank you and congratulations go to Adrian, Jack, Brandon and Ashton.

Athletics Event

Student Adrian represented The Hub school at The Humber school athletics event at Costello stadium on the 5th June. Adrian was competing for the first time in competition against the best athletes from the East Riding and Lincolnshire schools.

Adrian's first event was the 100m and although carrying a slight injury came a credible 3rd in his heat.

Adrian's second event saw him throw the shot putt consistently over 10m, leading into the final throw with 10.71m, Adrian was just pipped to the gold medal with a student throwing 10.74m on their final attempt beating him by a mere 3cm.

Adrian opted for his final event in the Javelin and threw a steady 32.18m to claim the bronze medal position.

This is the first time a student has represented the school and achieved county standard, Adrian did the school proud with some eye-catching performances and we are looking forward to him representing the school again in the coming weeks. Congratulations and well done!

Summer 2019

Year 11's Celebration

Our year 11 students have worked tirelessly in achieving the best results they can for their Exams. To celebrate their hard work they made sandwiches, baked scones and cakes and enjoyed the afternoon together, we wish them well for their results. GCSE Results day is the 22nd August 2019. Please take a look on the Homepage of our Website

Attendance

The Hub School continues to focus on attendance and we expect all of our students to be over 95%, this is inline with government expectations. There is a link between attendance and achievement, therefore it is very important your child attends school. Over the first half of the Summer term 27 students have achieved over 95% attendance, certificates have been issued and they have been awarded Love to Shop vouchers, this is a significant improvement from last year were only 5 had been awarded. Well done!.....— Whole school attendance for this half-term is 81%

Plot of Land - Garden Project

Cottingham High School have very kindly loaned us a piece of land. The plot is 14ft x 60ft and the plan is to convert into our very own garden, as well as this we have been given the opportunity to regenerate an old pond and the opportunity to help them keep bees. We intend to see what Ms Deller has on offer for cooking and hopefully produce ingredients that are needed for our kitchen. We hope to produce ingredients for our kitchen and look forward to tasting samples cooked by Ms Deller and the students.

Website now launched!

We are happy to announce that our new website is now LIVE! On our website you will find important information, policies, news and events, school calendar details and much more!

If you require any information from our website in paper format, please do not hesitate to contact

the school, please also let us know what you would like to be included on the website.

**NEW
WEBSITE
NOW LIVE!**

Uniform - Letter

A letter to parents/carers will be sent out regarding a review of our school uniform. We are writing to you to inform you of the changes we intend to make and give you an opportunity to share your thoughts with us. If you would like to share any thoughts or suggestions, please do not hesitate to contact the school.

There are various ways to contact us

Telephone: 01482 304200

Email: thehubschool.admin@eastriding.gov.uk

Website: www.thehubschool.org.uk

The uniform letter can be seen on our website to our parents page

The deadline for responses is Friday 28th June 2019.

Thank you for your continued support
