Letting the Light of Jesus Shine Through

## Worship Reflections

Rule of Law:

Our teachers and schools think carefully about when we have breaks and how long we have between lessons, making sure that we have enough time to learn and enough to rest!

Dear Lord,

Help us to appreciate how precious moments of rest are. Help us to see them as an important part of our development – an opportunity to relax, have a change from our learning and refresh ourselves. May we be grateful that our well-being is always considered at St Mary Magdalen's.

Amen.

## Birthdays this week

*Happy birthday this week to:*

Sam Kelly, Will Kelly, Maisie MacMillan, Chevelle So & Isaac Urbanski.

## School Meals

*We will be on **Week 2** of the menu next week.*

*In the next couple of weeks there will be a parentmail going to all current Year 2 parents to ask whether you would like your child to have a school meal when they progress into Year 3 in September. Please note that the meals will then become chargeable at £2.30 each, unless you are in receipt of free school meals. The menu will remain the same until Lancashire County Council send the new one through. You will receive a form on parentmail to opt for either a packed lunch/school meal and would be obliged if you could complete and return. Thank you*

You will probably remember from your own school days how much sport you did on sunny days. Nowadays the children do more sport than ever so the diary at this time of year gets rather hectic. We do ensure that all children get to represent school at a sport at some point so their time will come if it hasn't already. Yesterday the Year 5 cricket team reached the semi finals with a great team effort. A little competition is healthy and everyone loves to win but a true sportsman is gracious in defeat and applauds the good performances of the opposition. Our children never let us down in this way and that makes me very proud. In their last match yesterday they still offered a hearty three cheers at the end. That sportsmanship is not always matched by the other schools but I truly believe our children are good at this because it is modelled well by their teachers, coaches and by their parents. Thank you for encouraging and supporting your children with this; it is great to see our children living our mission statement and shining their lights in every situation.

Mrs Gallagher

## Merit Winners
