

Newsletter 21st June 2019

An emotional week, as we said a **final farewell to our 109 P7 superstars**. We wish each child the very best and know they are so ready to begin the next step as learners. A huge thanks to the parents for all their support, kind words and gifts this week, staff were so grateful.

We officially had the **Sod Cutting for the new school building** and we can't wait to see the progress after the summer. We now have the Woodvale Crane towering above the site, so great excitement for the children as they watched it being built.

We had **P4 and P3GW/JMcG entertain us with the violin progress** at the recital yesterday. Absolutely outstanding ability, confidence and skill was displayed by our children. A big thanks to Aoife our tutor for bringing the children on so much this year.

Please remember **to send a signed School Report back to your child's teacher** and add a comment if you wish.

We will put at the front of the school a table next Tuesday and Wednesday mornings for **all lost property and items of uniform** which parents can help themselves too. Why buy new jumpers, if there is one in good condition going free to a new home. So do pop over and have a wee nosey!!
