**Subject:** CLASS PHOTOGRAPHS

Dear Parents and Carers,

Unfortunately it has not been possible to take the remaining class photographs today due to the weather conditions. They will now be taken next week on Thursday 20<sup>th</sup> June.

Following some feedback we have decided to re-take the whole school photographs again in a different format. Any parents that have already purchased a class photo, please be advised that we hope to secure you a discount should you wish to order another photograph.

Please accept our apologies for the change, it is something that is out of our control.

Kind Regards

Office Team
