We have loved our daily reports from Year 5 & 6 and hope that you have enjoyed the updates and photos on the website. We have really missed them all and are looking forward to seeing them later today to hear more about their adventures. Thanks to Mr W, Mr B & Mrs P for accompanying them and helping to make it such a special week.

Mrs Barnes & Mrs Truslove

In maths next week, Year 1 will focus on telling the time to the quarter hour; on measuring lengths, recording information in pictograms and block graphs; and on repeating patterns using 2D shapes. Reception will be learning measurement.

The children will be making their gardens on Wednesday using their plans from this week. If you have any resources they could use please send them in e.g. moss, dried flowers or any similar items. Thank you.

Mrs Gibbins

Homework is in the blue books as usual. Maths next week is shape, perpendicular and horizontal lines and counting in threes. Also if you could send your child in with a cereal box that would be great. We would like to make Viking shields.

I have received information from Kirsten Neal about an exhibition at Daventry Museum looking at local archaeology. Obviously as Daventry has a Roman and Viking history there could be lots of good information for the children to enjoy. The exhibition runs until 30th August. There is more information on the Daventry Museum website. It looks interesting.

Homework

There is no spelling homework sheet, grammar homework or maths task this week.

Please note that Spelling and Times Tables Tests will carry on as normal.

Years 4&5 will be swimming on Wednesday.

Thank You!

Thank you to Ella and Rachel and all the cake makers for organising the coffee afternoon last Friday. It was all very enjoyable and raised £108.40 for St Mary's, which is very much appreciated – thank you to all involved.
