Reminders

National increase in cases of measles

As you may be aware there has been an increase in the number of children and adults contracting measles. We are therefore raising awareness of the MMR vaccine and encouraging people to get vaccinated. If parents think they or a family member have been in contact with someone with measles they are advised to phone their GP and NOT visit them to seek advice. There is no upper age limit for having the free MMR vaccine, so if parents and students are not sure they have received two doses of MMR, they should be encouraged to contact their GP.

This year's event will take place on 11th July from 3.00 – 4.30. If you would like a stall, please contact Mrs Knight in the office. The fee will be £10 per stall.
