Calderdale Safeguarding Week

24th June-30th June

Everyone needs a bit of support at some time or another. As part of safeguarding week we wanted to draw your attention to a fantastic resource available in Calderdale to young people, parents and professional.

<http://www.openmindscalderdale.org.uk/>

On this website there is a wealth of information if your child is struggling with any particular issues.

In addition to this Y6 pupils can also access the two services listed below if they need some support or advice. The link to both services are on the open minds website.

Kooth (for age 11 - 25): A free, safe anonymous online counselling and support service. If you need to talk to someone confidentially about what's bothering you contact Kooth.

Time Out (for ages 10 - 19): A space to relax, socialise and take part in a range of activities. What is on locally and who to contact if you need help? Looking to make friends?
