"Where A Love of Learning Grows"

20th June 2019

Dear Parents

Sports Morning

Due to the poor weather forecast and warning of thunderstorms the school sports morning had to be postponed. Our sports morning will now take place on Monday 8th July at 10.00 am—12 noon with family picnic until 1.00 pm. Please alter your lunch orders to sandwiches for this date on www.innovate. Any donations of cakes will be welcome for FUSS to sell with tea and coffee on the day. Everyone is welcome and we hope the sun will shine!

Retirement

Mrs Helen Bennett will be retiring from her job as Cleaner in Charge at the end of this term. After 29 years she will be hanging up her mop and bucket and tidying up our rooms and vacuuming our school for the last time. Mrs Bennett has not only cleaned our school but tended the school grounds, tackled odd jobs, supervised movie nights, run the tombola and supported our school Fayre year on year. We will miss her greatly. We are collecting for a suitable retirement gift for her, if you would like to contribute there will be a collection in the school office for any donations. We will have a presentation at 2.30 pm on Thursday 18th July which you are welcome to attend from all at school.

School Tuck Shop

The school council will be selling to children mini boxes of raisins for 15p Monday to Friday for playtimes and chocolate biscuits 15p on Fridays beginning next week. Profits raised will go towards sponsoring a guide dog for the blind. The school council are looking in to costs and opportunities to do this.

Help!

We have purchased two 500kg bags of wooden bark and rubber bark for the school grounds. It is currently sitting in the car park but needs to be in the children's quiet play area and outdoor playground. If any parents can help move it for us we would be very grateful. If you could volunteer a few hours of your time our children will be able to use their new play area as soon as our new equipment is installed. (Additional wheelbarrows welcome).

Yours sincerely

Lorraine A Barber
