We will be visited by one of the UK's top Pro Disc Golfers who has also appeared on Blue Peter trying to break a world record for the most speed putts using a Frisbee! He will be teaching us how to throw and catch a Frisbee as well as teaching us dynamic, fun Frisbee games and challenges to play. We hope to gain an insight into some of the official Disc Sports, such as Ultimate Frisbee and Disc Golf and of course to be wowed by some awesome demonstrations by Chris!

Why not check what it is all about on <http://www.catchthespirit.co.uk> and find out more about the "way of a Frisbee".

Should you wish to buy a Frisbee after experiencing first-hand the fun that can be had, Chris has agreed to bring the Frisbee he recommends for families.

- The Aerobie Superdisc is the main disc used for key stage 2+ and retails at £9.50 plus postage in the Flying Disc shop on the website but Chris has kindly offered to sell them for £9 on the day.
- For younger children the Aerobie Dogobie is an excellent choice – £7.50 online, just £7 on the day.
- Collectable mini Frisbees in a variety of colours! These are just £1.50 each.
