Issue 32— 21st June 2019

Dear Parents,

This week was a really important and interesting week as the year 1,2, and 4 classes met Rabbi Zvi Solomons. Alongside Vicar David the children had first hand experience of meeting a leader from another faith to our own. This gave them first hand knowledge of another culture and allowed them to think about how people around the world live their lives. Here are a few things that the children said...

- Indi - I learned the story of the 'Sun and the Moon' and the Challah.
- Loch - Jewish people blow a ram's horn to wake them up so they could ask for forgiveness.

We have also had our new school vision posters on display. These posters were the product of a very fruitful day with the children at the end of last half term and we would really value parents views of them. They will be in the hall at Landford next week.

School Improvement continues to be a major focus of the school's work and we were very pleased to welcome a number of LA reviewers to evaluate the work of the school last half term. I feel that it is important that this information is shared with parents. We will be having a parent information evening at 7pm on Monday 22nd July at KS2, where Mrs Crates and myself will share the work that has been done and the priorities for the next academic year. We hope that you will be able to join us.

Have a wonderful weekend with your families
