Year 5 Visit to Sirius

The Year 5 children
went to Sirius
Academy to get a
taster of what life will
be like when they go
to a secondary
school.

The theme was
different countries
around the world and
they did a range of
Science, music,
maths, ICT and PE
activities.

This Week

Simmons have been learning about words that rhyme and trying to find as many as they can.

Inkpen and Rosen have been making splats of water and using string to measure them. To extend their experiment they have looked at whether changing the angle of the water pipe changes the size of the splat.

Sharratt and Donaldson have been writing poems to go with their Enchanted Woodland topic. In geography they have been looking at how the weather changes in the different seasons.

Potter and Ahlberg have been looking at the story of Grace Darling and her heroics. In maths they are looking at different weights and measures.

Murphy and Dahl have been working towards producing their own short story. In science they have started looking at the skeleton and what it does and how healthy eating can help to keep us fit.

Morpurgo and Kinney have been designing leaflets to advertise famous landmarks in America such as the Statue of Liberty and The Grand Canyon.

Herge and Walliams have been continuing to read The Executioner's Daughter and have started looking at Tudor crime and punishment and just how gruesome it was!

Shakespeare and Rowling have been away enjoying their residential visit. They left on Wednesday all full of energy and excitement and arrived back on Friday somewhat exhausted but having had a fantastic time.

The Hive Out of School Club

This week we have looked at Tudor portraits and created our own self-portraits in a similar style. We have used reference books and the internet to research the Tudor era ahead of making our own 'Horrible Histories' book and also explored traditional Tudor pastimes such as dominoes and card games.

We have also had fun learning how to dribble the basketball, experimented with how to make the biggest splash in puddles, played scarecrow tig with Mr May and tested out our new outdoor table tennis table.

Our table tennis champion of the week is Ivy.

Everyone at The Hive would like to thank those who visited us at the Summer Fair. We had lots of proud children knowing their work was being sold.

View from the Classroom Floor

This week the whole school has been practising for Sports Day on 26th June. There has been lots of practising for the relay race!

Year 5 have been preparing for their Tudor assembly next week by making their own slides about crime and punishment. Come along and see them for yourselves.

The whole school has been working super hard preparing for our end of year tests. Good luck to everybody.

Honey, Joseph, Betsy and Sophie B.

New Governor Opportunity

We are looking for three new governors to join our dedicated team. Ideally we want somebody from the local community (not parents) who have skills in finance or schools generally.

If you know of somebody who might be interested please ask them to come in and have a chat about what it involves.

Dates for your Diary

In order to try to give you as much notice as possible regarding events around school, this section will be dates for up-coming events. We may need to change events at times but will try to keep this to a minimum.

Thursday 20th June - New starters visit
Wednesday 26th June – KS2 Sports morning
Wednesday 26th June – KS2 Sports afternoon
Wednesday 3rd July - New starters visit
Thursday 4th July - New starters visit
Friday 5th July – Foundation Stage Sports Day

Friday 19th July – End of Term

Year 6 Residential

Summer Fair

Last Saturday's Summer Fair was a roaring success and even the weather managed to hold off long enough to get everything done.

The performances from Magic Ray, Anlaby Studio and Flex Dance were brilliant and if you want to know more about how to get involved with dancing ask at the office and they will be able to give you contact details.

Gunge the Teacher was very well supported although I can't see the fun in it myself! Although I must admit I did enjoy seeing Mr Chattaway get gunged!

I would like to say a big thank you to all the staff who gave up a Saturday afternoon to support the school, all the members of the PTA who did a fantastic job organising everything, all the local businesses who provided such wonderful raffle prizes and everybody who turn up on the afternoon and made it such a great day out.

I would like Mr May to know...
