

NEWSLETTER, 21ST JUNE

Dear Parent/Carer,

Yet another busy week at Atherton St George's! The children have been working extremely hard, as always, both in and out of class. We had a visitor from the NSPCC who held an assembly for the children as well as some workshops for Year 5/6 – the children really impressed us in these. Unfortunately, the weather hasn't been impressing us quite as much but we are hopeful that Sports Days will go ahead as planned next week – the children and staff are very excited to participate.

Little Dragons' have enjoyed learning about 'The Very Hungry Caterpillar' and exploring a range of fruit to make smoothies. Meanwhile, Reception have also been discussing a range of fruit and how it keeps us healthy with Coach Dave.

Year 1/2 have been very excited about today's trip to the Sea Life Centre – I am sure they will have plenty of exciting stories to tell you when they come home! They have also been busy working on their senses in Science this week and have even conducted a senses walk around school.

Year 3/4 visited the Turnpike Gallery this week and were very enthusiastic about their experience there. They could not wait to show everyone the fantastic artwork they had produced once they arrived back at school. We are sure many of them have been inspired by this very creative visit.

Some children from Year 5/6 attended a cricket competition this week and they all impressed us with their teamwork and sportsmanship. Whilst Year 6 were learning some fantastic new skills at Crowne Green Bowling today, the Year 5's have been creating their own stop motion movie of Macbeth – keep an eye on Facebook to see their final product!

Hoping to see as many of you as possible this Sunday for Atherton Carnival Parade. If you wish to take part in the parade, please meet at Meadowbank School entrance at 11:45 wearing red and white.

Have a lovely weekend
