24th June

2019

Thank you for all the **parent questionnaires which have been returned**, which have now been sent to be analysed and collated. They were in the main very supportive of school so thank you for your words of support. There were some queries raised from parents of children in Class 4 due to the un-avoidable staffing problems we have been faced with this year. Discussions have taken place with these parents and hopefully these have resolved any concerns to the best of the schools ability to do so. Thank you.

If you have any **good quality games** e.g. Monopoly, Connect 4, Snakes & Ladders etc that you no longer need, please could you send them into school for the **OOSC**.

I have good news in that **Alex Ward will now be remaining in school** next year as a qualified Teaching Assistant, contrary to what was stated in the village Newsletter. Both Directors and staff look forward to working with him.

Cycling club this Saturday has changed slightly. We are now going to Silloth as we felt Allonby wasn't far enough after last week's great Buttermere ride. **Therefore we will meet at 9.30am on the harbour in Maryport**, near the fish and chip shop. **Please then collect your child from Silloth on the Green in front of The Golf Hotel at 12 noon.** Chips will be bought for everyone on arrival in Silloth.

What a fantastic Outdoor Week we had last week. The weather was perfect and the week went extremely smoothly with all children seeming to have a fab time! Cycling club enjoyed our great outdoors at the weekend as they cycled to Buttermere, Nursery have their postponed Forest School session tomorrow and many children are visiting Cockermouth Mountain Rescue Base on Wednesday to finish off a very successful project.

Last week for clubs is next week, beginning Monday 1st July.

Diary dates coming up
