24th June 2019

Dear Parents / Carer

We are now fast approaching the end of another busy year with lots of excellent learning and activities taking place. As with previous years, the School values the views of all our stakeholders and as part of our School improvement cycle this is your opportunity to contribute your ideas for the future and I would really appreciate as many returned as possible.

On Tuesday 9th July we have our Governors' meeting to discuss the School Improvement Plan. The parents and pupils' views are a key part of this in planning for the future. Your views, along with those of the children, staff and governors are used to inform our School improvement plan and ultimately the education of your child over the next three years. Please could the questionnaires be returned by **Monday 1st July**.

As a School we do endeavour to take account of the various viewpoints of parents. The questionnaire offers an opportunity to raise ideas but is not the vehicle for complaining. If you are encountering a problem in School, then please follow the necessary correct procedures so we can address them with you personally. If you do need me, a Governor or another member of staff, to address something it is advisable to include your name on the questionnaire as anything anonymous is very difficult to address.

I appreciate your comments and thank you in advance for the time taken to complete the form.

Yours sincerely

Sarah Rose
Headteacher
