

WITH GOD IN OUR HEARTS,
WE LOVE AND LEARN

St. Joseph's Newsletter

Issue 030 - 24 June 2019

Father of all,
We ask you to bless
Our school family.
Help us to do our best
And to be kind and cheerful
As we love and learn together
Amen

Football and Netball

Congratulations to our football and netball teams for winning their games last week against St. Thomas More. Both teams are having an excellent season and next week will see the conclusion of the leagues with both teams in with the chance of becoming champions. Good Luck all!

Aspirations Week

On Monday 8th July we will have our 'Aspirations Week' This will be another opportunity for your child to learn about a variety of careers available to them as they get older. If you would like to come in to school and talk to the children about your career either in small groups or an assembly or you know someone that would please let the office know and we will get in touch. Thank you for your support!

Parking and Driving outside of school

I have recently had a number of accidents outside of our school and incidents of dangerous parking reported to me. Can I please ask that we drive and park considerately outside of school. Anyone that approaches me is advised to contact the police. Can we please consider options such as: waiting further down Newman Grove until a place becomes available (as we will always wait with your children), or it may be worth considering parking by the Pear Tree Club and walking down the alley way. Thank you for you support.

School lottery

Congratulations to Mrs Bishop on winning this weeks lottery. If you would like to be in with the chance of winning a cash prize and supporting the school at the same time please go on to the school website and look under parents/school lottery for details of how to enter.
