NURSERY The children have been reading the story of the Hungry Caterpillar and have created some fantastic caterpillars and butterflies. They have been talking about the days of the week and are working very hard to take turns when playing games in a small group of friends.

RECEPTION The children in Panda Class have been enjoying reading the story of the Hungry Caterpillar. They have been doing some great artwork and learning some songs about caterpillars as well. They have also done some fantastic storytelling and are looking forward to sharing their hard work with you in their class assembly on Thursday 27th June at 2.30pm.

YEAR 1/2 This week Elephant Class have been learning about food chains in Science. We looked at the animal kingdom and Apex predators and how all food chains are linked back to a minibeast which eats plants. We have also been preparing for our Ocarina concert and parent's Assembly in the next few weeks.

YEAR 3/4 This week we have been learning all about animals in captivity and polar bears. We have made information texts about the Arctic and where polar bears live. We have mixed emotions about seeing them at the Yorkshire Wildlife park.

The year 4 children will be completing the online Multiplication check the week after next so please keep practicing at home and using Mathletics and TT Rockstars
