The Secret Garden

For the next few weeks we are going to be talking about the features of a garden so that we can eventually draw and write about a secret garden we would like to discover. This is a topic that the whole school is going to be looking at. We would appreciate it if you could upload / or print out a picture of a garden your child knows and would be able to talk about.

The children will:

- * share the story 'The Secret Garden.'
- *listen to different pieces of garden music. How do they make you feel?
- *smell different garden smells, for example, mint, lemon and chives.
- *observe the shape, colour and pattern on leaves.
- *carry out leaf rubbings.
- *carry out an observational drawing of a leaf.
- *take on roles in our Teddy Bears Picnic area.
