

Peace, Trust and Fellowship

Learning and living life in all its fullness.

February 2018/2019

NSPCC

We had a really good month with the NSPCC. Our pupils enjoyed the lessons that started our involvement with the charity and we were really pleased with the fundraising in our third week. Thank you very much for your contributions. We appreciate your involvement.

World Book Day

We plan to celebrate WBD with everyone else on Thursday 7th March. Get thinking about characters and costumes. There are plenty of ideas on the World Book Day website and we always have fun.

Term dates

Our term dates for next year are going onto the website but we wanted to draw your attention to them in one of our letters. Please see the information further on in the letter.

E-Safety

Thank you for completing the e-safety survey sent to you by our ICT colleague from the MAT. Mr Sverha was very impressed by the response he received with many parents completing the forms before he had returned to his usual school at the end of the day! He followed the survey with a presentation that was specifically tailored to the information that came from the survey. It contained lots of very useful information and we will be running it again soon. Please look out for notice of the event; it would be great to see many of you there.

PTA

There was a very positive PTA meeting at the school in our final week of term. Events and structure were discussed and lots of ideas shared. We are grateful for the contribution that the PTA makes and would ask you to look out for dates for future meetings in which plans for the year will be explored further. It is a wonderful way to get more involved in your child's school life.
