

SUN SAFETY

With the change of weather, may we please remind parents that sun cream needs to be applied before the start of the day and we recommend the 'once a day' variety. You may want to send a named bottle of sun cream to school for your child to independently apply to their own skin. Children are not permitted to borrow sun cream from one another due to allergies. We also encourage each child to have a sun hat and their own water bottle that they can fill up throughout the day, to ensure they are staying well hydrated.

FREE SCHOOL MEALS

If you think your child may be entitled to free school meals, parents are now able to complete an online application form (*sent via email*).

Please note: all children Foundation - Year 2 are entitled to Universal Free School meals, however, if you complete the form and have a qualifying benefit, the school may get extra funding. This of course would be hugely appreciated. Many thanks.

WAITING IN RECEPTION

Many we please remind you that the seating area in our Reception is for visitors to the school. Parents should not be using this space to wait until 3:20pm to collect their child. If you are early, please may we ask that you wait in the playground. Thank you

SMOKING

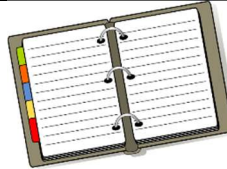

Can we please reminder parents that the school is a smoke free site. We thank you for your cooperation.

HOLIDAY FORMS

As you will know, if you would like to request holiday during school time you must complete a holiday request form which can be obtained from the school office. Please note - forms must be completed and handed back at least 1 week before you intend on going, this allows us time to get it back to you. According to Local Authority Guidelines, time off will only be authorised should there be exceptional circumstances. Thank you.
