want to be able to **Succeed**,

to be **Happy**, to be **Inspired**,

to be **Nurtured** and to **Excel**.

Sometimes we do fall out with

our friends and that can make

us very sad. During our

Anti-Bullying week we learnt

what bullying is and lots of ways

that we can help to stop bullying.

We hope that our leaflet is helpful

for you all. School Council

What is bullying?

- Bullying is when someone hurts you on purpose over and over again.

- **Cyber:** When someone says horrible things to you online, on social media sites or through text messages.
