

## Redlands Primary School – Annual Fishing Match

On Thursday 13th June, 39 children ranging from the Nursery to Year 6 took part in the Redlands annual fishing match.

We were very lucky to be able to fish at Kiveton Waters for the first time and almost all the children were able to catch something.

The winning weight was 12lb 10oz from our youngest entrant, who also landed the biggest fish at 7lb 10oz.

We would like to say a big thank you to Mr Kelk who organised the day for us, alongside Matt Godfrey from "Tackle Guru", who provided every child with a fishing cap, bait tubs, bait strainers and hook lengths.

All bait used on the day was provided by "Dynamite Baits" and "Catchy Baits".

There must also be an extra special thank you to Jonathan Longdon from "6am Tackle" who provided the venue and three feeder rods as prizes for the winning weight in each Key Stage. They were: Foundation Stage, 12lb 8oz

KS1 10lb 8oz

KS2 9lb 6oz
