

# Occasional Newsletter

## Batford Nursery School & Day Care

Welcome to our Occasional Newsletter.

We have had a busy few months with events in the nursery. We hope you all enjoyed the Pancake breakfast and Mother's day tea.

### Staffing

We have some exciting news about staffing in the day care.

As you may be aware Nicola is expecting a baby and is due to go on maternity leave at the end of April. We are pleased to announce Lauren from Buntings has been promoted to maternity cover deputy and will be working across both Buntings and Cuckoos rooms, taking the lead on the EYFS. Amy Gaitely has been promoted to senior in the Buntings room.

Amy Humphries has decided to have a change in the age group she is working with. From the beginning of term, Amy will now be a senior member of staff, working with Batford nursery and day care downstairs. Georgina has been promoted to room leader in the Cuckoos. We are now interviewing for a senior in the cuckoos room. We have also employed Sabrina as a new member of staff to work in the Buntings room, she will be joining the team from June.

## Summer Menu

- We will be operating our summer menu from the beginning of May, this is a four week cycle and all of the menus will be emailed out to you. If there are any amendments we will update you via email. You can also see copies of the menus in your child's room

## Office hours 08:30-16:00
