

Summer 2 – Teacher Comments

Our theme this half term is 'On the Farm.' We have been looking at the different animals we might find on the farm and the jobs that the farmer has to do. Our school leavers trip was to Smithills Farm and the children had a fabulous day feeding the animals, watching the cows being milked, riding a donkey, holding baby animals in Pets Corner and a very bumpy tractor ride to feed the hungry donkeys in the field.

In Maths we have been looking at numerals around us to see which ones we recognise and we've had a go at writing them. In literacy we have been looking at the signs around Nursery and talking about what they might mean. Our older children have also been trying to write their names.

We have been learning about different cultures in Nursery 3. We had a lovely time making a sweet pudding called Helva using semolina, nuts and silver paper that you can eat. A parent came in to help us make them and told us all about the special celebration of 'Eid'. "This is yummy," said one child.

As 'summer' approaches we will be looking at 'The Sea' and the creatures that live in it. We will be pretending to be pirates that might sail on it. Ahoy there!

We will be talking about our transition to Primary School and the children will be visiting their new schools. Their new Teachers will be coming to visit us at Nursery.

We have been practising for our School Leavers Sports Day/Presentation Day as they get ready to leave us and move on to Primary School.

Finally our last day will be 'Party Day' as we celebrate a fantastic year and wish our older children good luck at their new School's.
