Term 6 SRP Newsletter

Term 6 full speed ahead…

The year is fast approaching its end and there is still so much to do! Our Year 6s are getting ready to leave us and start their new journeys in Churchward. There will be a Year 6 production and a Leaving Assembly to say goodbye with all our usual Ruskin traditions.

The children that are staying with us will soon be finding out who their new teacher will be and we will be helping them get ready for their transition into the next year.

We will be saying hello to some new children and they are starting to do their visits.

As always we are constantly trying to improve what we do and from September I plan to rethink our termly meet ups and would appreciate your input with this. I am planning to stop doing TAC meetings as I feel our children are beyond 'Early Help'. I hope you can make our 'Cuppa and Cake' meet up to share your thoughts.

Jess Delicata and SRP Team

Cuppa and Cake!

I am holding a 'Cuppa and Cake' Meet Up for parents. This is an informal get together so I can listen to your thoughts about the SRP, I can pick your brains and you get a chance to chat with me, unrushed on the gate and without little ears!

I plan to do these termly and alternate mornings and afternoons with dropping off and picking up.

Our first one is planned for:

TUESDAY 2nd JULY at 2PM

Hope you can make it

Term Dates

End of term 6 – **Wednesday 24th July 1pm**

Start of term 5 – **Wednesday 4th Sept 9am**

Summer Holidays

The summer holidays can feel very long!

I have attached some ideas on how you can help your child get ready for the new school year and cope with the holidays.

It really helps to have a family planner to tick off days and plan in activities. Try to think of the holiday week by week rather than as nearly 6 weeks!
