Only my best will do; Be kind to one another

26th June 2019,

Dear Parents/Guardians,

Change of Pick up Points for Children

We are constantly listening to suggestions/feedback regarding any improvements we can make on safeguarding. One area of concern is collection arrangements on the schoolyard. This can often be congested and difficult to manage.

With this in mind, we would like to trial a new arrangement week beginning 1st July 2019:

Classes

Foundation 1 and 2

Key Stage 1 (Year 1 to Year 2)

Key Stage 2 (Year 3 to Year 6)

Collection Point

No changes

Pick up from Classroom Doors

Via the pathway in front of the science garden

Pick up from Classroom Doors

Via the junior yard and the back of the school

Parents will still access the school site via the gate at the bottom of the junior yard but will then access classrooms via the appropriate route as indicated above. If parents would like to speak to class teachers at collection times, please collect your child first then make your way to the **school office so this can be arranged.**

We will monitor how this works and finalise arrangements for September 2019 accordingly.

Any child who accesses Extra Curriculum Clubs will still be picked up from the junior yard.

Thank you for your cooperation during these new arrangements.

Yours sincerely,

Mrs Mulligan,

St. Sebastian's Head of School
