Dear Parents and Carers,

We are in the process of designing a new website for our school which is very exciting and well overdue! Part of this redesign will include updated photos that will represent typical school life at St Mary's. The website will be a reflection of our school, our wonderful children and all the hard work that takes place on a daily basis. Therefore, we have booked a professional photographer to visit us next week, when some key events may be captured, such as Sports Day and our Summer Music Concert. In addition, classrooms will be visited.

Until the photographs have been taken and the best selection chosen for the website, we are obviously unable to confirm which children might be featured. Therefore, if you would prefer your child's photograph NOT to be included on the new website, please sign and return the slip below no later than Monday, 1st July 2019. No action is required if you are happy for us to photograph your child.

Kind Regards

Office Team

Please return to the school office by Monday 1st July 2019

I would prefer for photographs of my child **NOT** to be used for the new school website or any future promotional materials.
