

Outcomes for pupils in Summer 2019

Outcomes in KS1 and KS2 are measured using the GL Assessments.

Outcomes for pupils KS2

Table A shows the distribution of standardised age scores for the group against the national average at the end of KS2 in **Maths**, for the Year 6 class of 23 pupils (Summer 2019).

Table A

Description	Very low	Below average		Average			Above average		Very high
		<74	74-81	82-88	89-96	97-103	104-111	112-118	
Standard Age Scores bands	<74	74-81	82-88	89-96	97-103	104-111	112-118	119-126	>126
National Average	4%	7%	12%	17%	20%	17%	12%	7%	4%
All students (23)	0%	0%	0%	4%	4%	17%	39%	17%	17%

Outcome: The spread of standard age scores for this group for Maths is significantly lower to the national average.

Table B- mean standard age scores in KS2 in Maths

	No of students	Mean SAS
National average	-	100.0
All students	23	116.0

Outcome: The mean standard age score for this group for Maths is significantly higher than the national average.

Table C shows the distribution of standardised age scores for the group against the national average at the end of KS2 in **English**, for the Year 6 class of 23. (Summer 2019)

Table C

Description	Very low	Below average		Average			Above average		Very high
		<74	74-81	82-88	89-96	97-103	104-111	112-118	
Standard Age Scores bands	<74	74-81	82-88	89-96	97-103	104-111	112-118	119-126	>126
National Average	4%	7%	12%	17%	20%	17%	12%	7%	4%
All students (23)	0%	0%	0%	4%	4%	9%	13%	30%	39%

Outcome: The spread of standard age scores for this group for English is not significantly different to the national average.

Table D- mean standard age scores in KS2 in English

	No of students	Mean SAS
National average	-	100.0
All students	23	122.0

Outcome: The mean standard age score for this group for English is significantly higher than the national average.

Outcomes for pupils KS1

Table E shows the distribution of standardised age scores for the group against the national average at the end of KS2 in **Maths**, for the Year 2 class of 24 pupils. (Summer 2019)

Table E

Description	Very low	Below average		Average			Above average		Very high
		<74	74-81	82-88	89-96	97-103	104-111	112-118	
Standard Age Scores bands	<74	74-81	82-88	89-96	97-103	104-111	112-118	119-126	>126
National Average	4%	7%	12%	17%	20%	17%	12%	7%	4%
All students (24)	0%	0%	0%	4%	13%	25%	17%	13%	29%

Outcome: The spread of standard age scores for this group for Maths is not significantly different to the national average.

Table F- mean standard age scores in KS1 in Maths

	No of students	Mean SAS
National average	-	100.0
All students	24	116.8

Outcome: The mean standard age score for Maths for this group is significantly higher than the national average.

Table G shows the distribution of standardised age scores for the group against the national average at the end of KS2 in **English**, for the Year 2 class of 24 pupils. (Summer 2019)

Table G

Description	Very low	Below average		Average			Above average		Very high
		<74	74-81	82-88	89-96	97-103	104-111	112-118	
Standard Age Scores bands	<74	74-81	82-88	89-96	97-103	104-111	112-118	119-126	>126
National Average	4%	7%	12%	17%	20%	17%	12%	7%	4%
All students	0%	4%	4%	13%	17%	13%	4%	25%	21%

Outcome: The spread of standard age scores for this group for English is not significantly different to the national average.

Table H- mean standard age scores in KS1 in English

	No of students	Mean SAS
National average	-	100.0
All students	24	113.0

Outcome: The mean standard age score for English for this group is significantly higher than the national average.
