## Issue 31

28<sup>th</sup> June 2019

## This week at Walsgrave...

### Ready, Steady, Go...!

What a fantastic sports week it has been! Key Stage One enjoyed some key skills lessons taught by Mr Ginger (Miss Ginger's brother) who is a PE specialist at the start of the week and it has been great to see a range of physical activities taking place across the

whole school. The sun finally came out for Sports Day on Thursday and it was wonderful to see all of the children participating in the activities that had been so well organized by Miss Prit and our sports leaders. Activities included a sprint, javelin throws, sack races and the sports day classic- the egg and spoon race! ***Due to the bad weather on Tuesday, the Fun Run will now take place at 2pm on Monday 1<sup>st</sup> July. We look forward to seeing you there!***

### The Big Toddle

A fun time was had by all at the Nursery 'Big toddle' on Wednesday afternoon. The children (and teachers) certainly looked the part in their animal costumes walking around the field to keep fit. A big thank you to those parents that attended the event and to Mrs Ashworth and Mrs Warde

for organizing it.

### Catch the Chicken!

On Thursday a special helper was on chicken duty! The chicken's wings are now clipped and they are in their new house. The teachers will be taking children to visit the chickens and will also be helping to care for them by topping up their food and water, changing their beds and looking after their pen. Year 1 and 2 have done a great job so far and have enjoyed going to visit their feathery friends on a daily basis.

### Reading at Walsgrave

This week the children have taken part in some fun reading events across the school. On Friday afternoon, the children in KS2 took part in a book swap, where they traded in an old book for a new one which they haven't read before. KS1 invited parents in on Friday afternoon for a 'books and biscuits' afternoon. Children chose their favourite story to read to their visitor.

Thank you to Mrs Cherry for organizing these events.

## Year 3 Sleepover

Year Three had a great time at their sleepover on Friday 14<sup>th</sup> June. They enjoyed their Fish 'n' chips, watched a film and played some fun games in the school hall. What an adventure it was!

## Enterprise Projects

To raise money for their camping adventure this evening, Year Four did a brilliant job of raising money by selling magnets and key rings for their enterprise project. They ensured that they had the correct amount of orders, collected the money, made the products and delivered them to each class. We certainly have some future business men and women in the making... Watch out Alan Sugar! ☺

## STEM Trip to Coventry University

A selection of children from Y3-6 were taken to the Engineering Faculty at Coventry University for a STEM morning. STEM stands for Science, Technology, Engineering and Math's and links well to our Science curriculum. The children took part in some fun activities using different types of technology including flight and driving simulators. It was a great morning and the children represented Walsgrave really well.
