New Summer Menu

**Next week we will be on
week 2 of the new
Summer menu**

Dear Parents and Carers,

What a great week we have had! On Monday the whole school came together to raise money for a very worthy charity – Cancer Research UK. I am delighted to share with you that the combined total of online and cash donations is now standing at £872.15! I was so proud of the children – they ran, walked, skipped, sang and danced their way around the field and it has been lovely to see the children wearing their medals all week. Thank you so much for sponsoring the children. If anyone has any more sponsor money at home, please can you bring them to school by the end of next week. Thank you in advance.

This week we have also had four parents' evening sessions! Mrs Wright and I enjoyed chatting with parents on Tuesday and Wednesday evenings, and there was even a special appearance by Mrs Hammerton who came to visit. I hope you enjoyed looking at your child's workbooks and hearing about their progress from their class teacher and, in most cases, learning support assistant. If you weren't able to make it, please don't forget we have Open House sessions every Tuesday where you can pop in and see your child's work and talk to their class teacher.

Our Key Stage 1, Phonics Screening and EYFS data was all submitted this week. I have held pupil progress meetings to discuss the data pupil by pupil and am confident it is accurate. I will be writing to you before the end of term to share the data headlines with you. I would like to take this opportunity to thank you for working so hard in partnership with us to support your child's learning. A big thank you must also go to my wonderful team who have worked tirelessly this year to support the children to fulfil their potential. Thank you all.

As I mentioned last week, Wendy and Claire from Essex Library Service led an assembly on Monday to share the Summer Reading Challenge, 'Space Chase!' All the children need to do is read six books over the summer holiday and we could be in with a chance of winning the trophy for the third year running!

Next week we are welcoming our new EYFS children into school for their first visit. It doesn't seem possible a year has passed since our current EYFS children came to Burrsville for their very first visit!

On Tuesday 2nd July our year 2 children will need to be dropped off at the juniors where they will spend the whole morning and lunch time with their new teacher. If your child attends breakfast club, we will take them to the juniors. As I mentioned before, our EYFS and year 1 children will be spending the morning with their new teachers on 9th July. Their transition journey has already started in a less formal way and will continue to gather pace as the term goes on.

On Wednesday we also have Cedar class assembly, Sports Day on Thursday and 'Sleeping Under the Stars' for our year 2 children and their families on Friday. So, another busy week to look forward to!

Have a great weekend.

Miss Siggery

Writer's Corner

This year our whole school focus is on writing. To ensure we keep this focus high profile, each week we will share a special piece of written work. This week the special work is from Jessica Purdy in Sycamore Class.

A long time ago there was a deep blue sea and today it was a very, very, very stormy dark night the wind was blowing hard and the clouds were like dark, spooky, dirty clouds. The wind smelled like fish and that meant there was a fishy boat near by. In fact there was the fishy boat in the wavy water swimming slowly around the sea. One of the boat had thousands of pirates on and so you could tell they were very noisy because they were louder than the thunder storm the giant thunder sounded like somebody was growling loudly. On
