- 03.07.19 PM—Transition afternoon for all pupils
- 04.07.19 EYFS Class Assembly
- 04.07.19 Year 5 Class Trip to Essex University

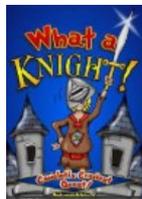

Health Week

We have had such a busy week getting fitter and healthier. It has been great to see so many of the children cycling, scooting and walking to school each day and enjoying the glorious sunshine (and rain!) that we have had. In school, we have been real master chefs learning how to cook and make healthy foods such as bread, fruit skewers, humus, and cheese scones - this means the children are ready to host their own summer parties! There have been a number of awards given out for healthy lunch boxes and healthy lunch choices, and even healthy lunchtime exercise habits, its quite amazing how much exercise you can fit into a lunch break! It really has been a great week and excellent preparation for Sports Day which is just around the corner. I hope that some healthier habits have been formed, especially the mode of transport to and from school.

Year 6 Production

Oh—what a Knight! It was a real treat to see our superstar Year 6's on stage acting and singing their hearts out. They have been working so hard in rehearsals and were so excited to perform to both audiences. We are very proud of what they have achieved and can see some budding performers for the future! Mrs Wright may even consider taking up a new hobby in performing arts! The productions were very well received and we really appreciate you coming along to support them and the school. Thank you so much to the Year 6 children and the staff for all the effort they have put into putting this performance together. We are already looking forward to what our current Year 5 will produce on stage next year!

Birthday greetings go to:

All of our pupils who have celebrated their birthdays this week. **Happy Birthday to you all.**

Year 1 Barleylands

Year 1 were down on the farm this week and had a great time on their trip to Barleylands. As always the coach trip was an extremely exciting part of being out of school, its hard to remember how it felt being on a vehicle when the wheels are as tall as you! They loved getting familiar with the animals and were entertained by the goats and bottle fed the lambs. They had an unexpected 'farm animal' greeting from the snake and enjoyed watching the demonstration, albeit from a safe distance! As always with farms, they couldn't leave without having a tractor ride and enjoyed bouncing around looking at the many animals they had there. They also had fun doing the wacky races (not on the tractors), and it was good to enjoy a walk around the farm to understand better what it might be like to be a farmer. Of course, no trip is complete with an extra special packed lunch and it was nice to eat out in the fresh air surrounded by nature. We were really proud of how well the children behaved and represented the school so well. They were a pleasure to take off site and it was wonderful to see so many happy and inquisitive faces, making it so worthwhile. Thank you to all the staff members and helpers who supported the trip, it couldn't have gone ahead without your help. Well done Year 1 for being so amazing!

School Lunches for Sports Day

If your child would like a school packed lunch for Sports Day, please could this be ordered by 5th July. The children will have a filled roll, packet of crisps, box of raisons/sultanas, a home-made cookie and a carton of juice for £1.90.

I can, You can, We can.. Achieve.
