Goodbye and Good Luck

Goodbye and good luck to **Caitlyn Langley** and her family who left our school this week. We wish them all the best for the future.

Rivers Project Day at Shildon

Thank you to the Adamson, Fish and France families who, along with Miss Hudson, travelled to the Locomotion Railway Museum at Shildon and grasped the opportunity to watch a full symphony orchestra recital.

Also on display at the museum for visitors to view were all the river project models and paintings created by a number of schools across North Yorkshire. It is of course easy to be biased on such matters, but our school's river model was clearly the best of the lot.

Reception & Class 3 Fun Run

Following the previous postponement of the Fun Run due to adverse weather forecast, we were informed this week of the new date. Unfortunately, the rescheduled event takes place after school on Mon 8th Jul - clashing with our Wellbeing Day at Beningbrough Hall.

Given that the children will already have had a very active day, coupled with the inconvenience to many parents to provide transport between 3.30pm - 5.30pm, we have taken the decision to withdraw from this event. Our KS1 children will complete a Fun Run at school in its place.

HAPPY BIRTHDAY

Happy birthday to Evelyn Precious and Desmond Simms who celebrated their birthday this week.

The Friends of Linton-on-Ouse Primary School Summer Fair

This year's Summer Fair was once again a tremendous success following all the hard work and hours taken to arrange it all; the zorb-football, brilliant magician, and Mrs Pearson in the stocks being highlights!

Thank you to all the parents, families and members of the local community for supporting the Summer Fair. Your very generous donations and purchases helped to raise the superb **total of over £730**. All the money will be ploughed back into the children's learning.

On behalf of all the children and staff at the school, we would like to thank everybody who attended, and in particular Mrs Cheryl Murray and her gang of Friends for making it all happen.

Environmental Health - Spot Inspection

Congratulations to Mrs Adamson and Ms Challis for achieving a **Food Hygiene Rating of 5 / 5** following a surprise visit from the Environment Agency Food Standards Department on Tuesday.

Class 1 Languages & PE Day

The Class 1 Languages morning at Outwood Academy, Easingwold on Wednesday 26th June went very well indeed with all the children attempting French, German & Spanish. The language sessions also allowed many of the children to meet their new Year 7 class-mates from September.

Poor underfoot conditions prevented the rounders competition going ahead; instead the children were treated to a Kwik Cricket lesson by the Head of PE at Outwood Academy.

Thank you to all the parents who once again went out of their way to transport the children to this first of several key transitional days to prepare the Year 6's for the move to Key Stage 3.

Reception September 2019 New Starters Welcomed to School

We were delighted to welcome many of the Reception pupils and their family for the first of three transition days today. The children all had a great time meeting their new class-mates.

Sports Day

The weather kept us guessing, but we were so pleased to be able to go ahead with the Sports Day. There were some super efforts by so many of the children and a real edge to the competitive races at the end of the morning. A great effort all round. Thank you to all our parents and family members who came and cheered on all the children during the morning; your enthusiastic support was most welcome.

Canoeing & Snowball Plantation – Class 2 Residential Trip

On Tuesday, Class 2 children should arrive dressed ready to go canoeing. Then, on Wednesday, the children should arrive at school at the normal time with all their clothing and equipment ready to go. They should all be dressed ready for their trip. The coach will depart promptly at 10am; parents are of course invited back to school to wave the bus away should they wish to.
