Dear parents and carers,

Where is the Summer Term disappearing to? The final three weeks of the school year seem to be suddenly upon us and we still have so much to do!

Next week our year 6 children will be off to visit their Secondary School as part of their transition. Our new Year R children will be joining us for the afternoon on Monday and also for Wednesday and Thursday morning.

The whole school will be participating in a transition morning on Thursday 4th July when all the children will be taught in the class they are due to be in for September.

Several year 6 children will be participating in Bikeability next week, you may see them riding on the roads as they practise their skills. Please do give them time and space.

Our final school trips will be taking place on Friday 12th July. The whole school will be out on this day so we do not have the facility for any child to not attend either of these trips. If you are having difficulties regarding payment for these trips please make an appointment to speak to Mrs Cox, in confidence.

We had two teams going through to the Maidstone District Finals on Tuesday.

Key stage 1 football team played brilliantly in the tournament. The whole team showed great spirit and determination against the other teams, finishing third overall. Well done to you all!

Key stage 2 netball team were playing against some very strong teams without any reserves, therefore every player played full time showing great resilience, strength and spirit finishing 2nd overall. A special mention goes to the 'defence' who were fully tested and held on until the end. Both teams came home with 'smiles' and a medal! Well done to you all!
