

Dear Parents/carers,

On the week beginning 8th July, we will be holding our annual Summer Sports Week. We have an exciting week of sport planned! (Fingers crossed for some good weather.)

This year our theme is 'Spirit of Sport', where we will be looking at some of the positive values that all sports people need to be successful. Each day, we will look at one of the values selected by our fantastic Year 6 Sports Captains – Encouragement, Honesty, Dedication and Participation. As part of their legacy, they want the rest of the school to embody these values so that they can enjoy sports as much as they have. As well as exploring these values, we will also be taking part in a variety of sports provided by specialist coaches, such as Martial Arts, Rugby, Tennis and many more.

To make the most of learning time, we would like children to attend school each day ready in their PE kits, as they will be taking part in activities every day. I would like to take this moment to remind you of the expectations for school PE kit:

- Navy blue shorts
- White T-shirt
- Trainers

As a matter of health and safety, all children with long hair, whether they be a boy or a girl, must have their hair tied back and out of their faces during all PE lessons. Please make sure that your child is sent to school with an appropriate hair tie/ hairband.

On Friday 12th July, we will be holding our annual sports day which will run similarly to last year. If you are attending Sports Morning, please call in to school to collect a chair from outside our EYU/ Year 1 entrance and make your way to the Southern Road Recreation Ground. Please don't situate your chair too close to the track otherwise you will be asked to move, as overhanging feet create a hazard for our young athletes. Children should arrive in school dressed ready for Sports Morning, wearing a t-shirt in their house colour. After Sports Morning we will all return to the school field for our family picnic.

We welcome younger siblings, but regret that our lunchtime staff cannot be responsible for their supervision. Lunchtime staff are, however responsible for the supervision of our pupils and our normal expectations with regard to their behaviour will apply.

Thank you for your ongoing support!

Miss Cox

PE Co-ordinator
