Headline

Now the summer term has started I want to remind you about our sun protection policy. We have developed this with the help of parents, teachers, pupils and local health professionals and it is based on SunSmart "SMART" cancer prevention programme. This guidance should ensure that we can all enjoy the sun safely over the coming months.

Stay in the shade as much as possible between 11.00 and 15.00 and always wear sunscreen.

Make sure we don't burn

Always cover up with suitable clothing and sunglasses and hats

Remember that children burn more easily

Use Factor 15+ sunscreen

The sun's rays are particularly strong over the summer and they can damage children's skin. This may not seem like a problem right now, but sadly it can lead to skin cancer in later life. Your child's health and well-being are very important to us, which is why we make sure that:

- Children learn about sun protection
- Shade in and around the playground is used
- Pupils are encouraged to wear hats and suitable clothing when outside
- We encourage pupils to use sunscreen

Your support is very important if our policies are going to work. You can help by:

- Talking to your child about the importance of sun protection at home
- Sending your child to school with a wide brimmed hat, buying a legionnaire style hat or putting long-lasting sun screen on them before school

News

Current Year 5 parents

If you would like your child to take the Medway test, the deadline for registering is 5pm on Monday 1st July.

Parents/carers can register at www.medway.gov.uk/onlineadmissions or by completing a paper registration form at Gun Wharf.

Parent/Grandparent summer holiday homework!

We are running a bridge building club in September and the lesson plans suggest asking a skilled parent to make us an arch bridge building kit like the one in the photo below. The detailed plan, for those that know what they are doing, is in the attached document
