## ATTENDANCE

Let's make sure the attendance is high. As we go into the summer term let's keep aiming high. Our overall attendance for the school for September to July.

**97% Well Done!**

## **Medical Appointments & Medicines**

*Could we please ask that where possible children come to school before and after medical appointments. The school office will require proof of the appointments. If your child needs medicine at school it must be prescribed from a Doctor/Hospital with the child's name and dosage on the label and signed in daily. Otherwise our staff will not be able to give this to the children.*

## **Absences**

*Make sure if your child is not in school you report it to the school office by 9am. If we have not heard from you a text will be sent to find out a reason for the child's absence.*

## PARENTPAY

*Please can you log in to Parent Pay to clear all outstanding balances before school starts again in September.*

See below the information below regarding the Education Act 1966 Section 44. Here at Lakeside Primary we take attendance very seriously.

### School Attendance and the Law

Under Section 44 of the Education Act 1996, parents/carers of a child of compulsory school age are under a legal duty to ensure the regular attendance of that child at the school where he/she is a registered pupil. Failure to discharge this duty may result in the LA prosecuting the parents/carers.

This policy reflects the most up to date legal powers and duties that govern school attendance in accordance with The Education Act 1996 and subsequent regulations and amendments.

☑ **Authorised absence** means that the school has given approval in advance for a pupil of compulsory school age to be absent from school.

☑ **Unauthorised absence** is where a school is not satisfied with the reasons given for the absence.

Authority to decide whether to authorise an absence can only be given by the Headteacher or a person acting in the absence of the Headteacher. This is to agree that there was a legitimate reason for a child not to be in school.
