OUTSTANDING MONIES

Can you please ensure all monies are paid before the last week? Outstanding debts may be passed to the local authority and could incur extra costs. Families who haven't cleared debts may be unable to use services next year.

TRANSITION DAY

The children will find out who their new teacher is next year on Wednesday 3rd July. Teachers will meet new classes and get to spend some time with them in readiness for September.

CLASS PHOTOS

Please return any outstanding orders by the end of this week to ensure you receive your photos before we break up.

HOLIDAY CLUB

The holiday club will be running for the first two weeks of the holiday. If you would like your child to attend please contact the office asap as places are filling up. The club runs from 9.00am to 3pm.

SOCIAL MEDIA

After a few problems last week with some of our junior children can we please remind you once again that children should be at least 13 years of age to access social media such as Facebook, Snapchat, Instagram, etc. Allowing your children access before they are 13 can and usually does cause problems.

APP

Please remember a copy of our letters are sent to the app for you to look at. This ensures you are well informed even if your child misplaces any letters on their way home. Download the school jotter app from the app store and then look for our school logo under the schools called Yew Tree. If you are having any problems please come in and ask.

KEEPING YOU INFORMED

We are hoping to launch Facebook, twitter, and Instagram accounts for the school from September. These platforms will help us to keep you up to date with your child's learning and experiences at school. We will send you more information in September.
