

Packington Church of England Primary School Open Afternoon

For prospective parents

Wednesday 25th September 2019

1:45 pm

Come and see for yourself why we are so proud of our thriving village school. We have consistently excellent results, an engaging and creative curriculum, great behaviour, fantastic staff who know the children individually and pupils who enjoy learning. Above all, we work together as a 'family' community, thus enabling both pupils and adults to flourish.

If your child starts school in autumn 2020 and you are interested in looking around, then please do book a place at our open afternoon.

Mrs Carol Price, our headteacher, will welcome you to the school and give a brief introductory talk at 1:45 pm. Some of our governors will be available for you to talk to and answer any questions. Most importantly, there will also be the chance to walk around the school and see it in action with the pupils involved in a variety of the wide range of curriculum activities we offer.

Please phone the school office on
01530 412425 to book a place

Together we can flourish— with Jesus as our guiding light!
