Summer Term Issue 3
14th June 2019**

Dear Parents and members of the school community

It was lovely to see so many of you at the Summer Fun Day last weekend. The rain held off and a good time was had by all. The deputy mayor of Basingstoke,

Onnalee Cubitt, came along and I received a letter from her this week stating what a lovely event it was and what a wonderful school we have. Lord Portsmouth also visited

the event and hopes to visit the school again soon.

A huge thank you, from me, to everyone who is a part of FRIENDS and who helped organise and run this family event. We are not sure yet how much we raised this year but once all the final figures have been tallied we will let you know.

FRIENDS have donated £2,000 towards new outdoor gym and fitness equipment which will be installed in the playground hopefully over the summer.

This week the first group of our new families attended Little Acorns and we welcome group 2 next week.

The children were happy to get outside for their playtime today as things are drying up after the harsh wet weather we had this week. Hopefully the sun will shine for the rest of the term! On that note, a letter is going out today regarding sports day. Please note that it will be held at Brighton Hill Community School again this year and is weather dependent.

On the 27th June we are holding a sponsored skipping event at school. Sponsor forms and details will be sent out next week. We encourage

everyone to take part as not only is it a great way of keeping fit, the school will also receive 20% of the money raised to go towards sports and fitness in the playground.

Please can I ask that if you arrive early before the end of the school day and you wait in your car, do not leave your engine running. Idling (as it is referred to by the RAC) increases the amount of exhaust fumes in the air.

These fumes contain a number of harmful gasses including carbon dioxide, which is bad for the environment and your children, and contributes towards climate change, as well as a range of other harmful gasses including nitrogen dioxide, carbon monoxide and hydrocarbons which are linked to asthma and other lung diseases.

Kenneth Davies

Headteacher

DIARY DATES SUMMER TERM

Thursday 20 th June	Little Acorns Group 2 1:30pm
Friday 21 st June	FRIENDS meeting 1:30pm
Wednesday 26 th June	Little Acorns both groups 1:30pm

Tuesday 23 rd July	Summer Term ends 3:15pm

LOST PROPERTY

Please make sure your child checks the lost property box if they have mislaid something in school. I also need to reiterate that it is important that any items brought into school should be named so that they can be returned to their owner.

To view diary dates and class pages, find out about our curriculum, read all about our events in school, view your child's homework tasks, learn how to stay safe on the internet and much more please visit our school website www.cliddesden.hants.sch.uk
